Summary

Be the coolest nerd at your next smash tournament with this carry case for your pro controller.

Tags: [nintendo](#) [nintendoswitch](#) [procontroller](#)

A remix of the popular parametric rugged box, with a custom molded cutout for a nintendo pro controller. Uses 6x M4x30mm screws. I recommend 3 walls and 5% infill.

The cutout is slightly oversized to leave room for scraps of 1mm craft foam as bumpers to prevent any scratching.

This remix is based on

Rugged Box (Parametric)
