[nerdminer](#)

I designed this retro tv as a case for my NerdMiner V2 from makerversum. It is designed for the regular case with the size of 65 mm x 35 mm x 39 mm. It has openings on the side to allow air exchange.

It consists of 8 pieces:

3 switches

1 control panel

1 front

1 screen frame

1 side

1 back

1 stand

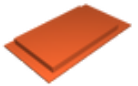

I printed with the elegoo neptune 4 with PLA+, 0.2mm, 20% infill and no supports.

## Model files
