### Summary

A deburrer tool is a must have... so is a cap to protect small fingers from the trap the blade of this tool exposes.

Tags: [cap](#) [deburrer](#)

A deburrer tool is practically a must have for 3D Printer owners and there are **plenty of accessories** on printables. Those tools are however rather sharp and if you have kids, you know what will eventually happen...

Here is the model of a cap for deburrer tools such as **this one**.
