## Summary

Batman vs joker

[Household](#) > [Home Decor](#)

Tags: [wall](#) [clock](#) [batman](#) [joker](#) [wallmount](#) [wallclock](#)

It is a 2 colour print, using simple method, you don't need any fancy tools, just ad a colour change on Prusa slicer on 1 mm change the filamwent hight if you using 0.2 layer hight.

For clock mechanism use a cheap one from internet...

Happy printing!
