Reupload of the beautiful model of Neuschwanstein uploaded by jeffrudzinski.prestige on maker world:

<https://makerworld.com/de/models/85406#profileId-91304>

Schloss Neuschwanstein was built by King Ludwig II in 1869 and is located nearly Füssen in the south of Germany. By the way: Neuschwanstein was the example for the Disney castle and is one of the most famous sights in Bavaria.

Thanks to jeffrudzinski.prestige for making this model!
