Summary

An easy way to hang your headphones to an IKEA Skadis pegboard using two standard long hooks

[Household](#) > [Other House Equipment](#)

Tags: [ikea](#) [hook](#) [hanger](#) [headphones](#) [skadis](#) [rest](#)

An easy way to hang your headphones to an IKEA Skadis pegboard using two standard long hooks.

It's designed with a gentle curve to better support and preserve the headphones head band.

The print requires no support and it simply snaps in place.
