These movement trays are for the models included in the The Old World Tomb Kings of Khemri Edition Army Core Set. But you can use them for other models. They will fit:

- 25mm square based models in 4 ranks of 5 models (spearmen)
- 25mm square based models in 2 ranks of 8 models (archers)
- 25mm x 50mm based models in 2 ranks of 4 models (heavy cavalry)
- 47mm x 100mm based models in 1 rank of 3 models (chariots)

I've based my measurements and angles on the new GW modular trays so these printable ones will match those if you have them already.
