## Summary

HSW Holder to contain 3 tweezers and 1 pair of scissors

[Hobby & Makers](#) > [Organizers](#)

Tags: [hsw](#)

I made this after I saw a similar version someone else made with 5 slots to hold files. this wasn't something I felt like I would use, so I made a new version to hold just tweezers and scissors. I couldn't find a spot on my wall I wanted to put my scissors, so putting them in front of my tweezers worked perfectly!
