Summary

Bolt on French Cleat for Vivo Mount-VW01A

[Household](#) > [Office](#)

Tags: [monitormount](#) [frenchcleat](#)

I wanted to be able to adjust my monitors side to side as well as up and down while wall mounting so I came up with this solution.

1 - FC_Monitor_Mount_Top

2 - FC_Monitor_Mount_Bottom

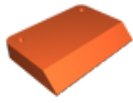

1 - Vivo height adjustable mount MOUNT-VW01A

3/4" French cleat cut at 45° (cut from plywood because printer couldn't make large enough to span studs)

4 - 1 1/4" x 1/4" recessed head bolts

4 - 1/4" nuts and washers
