Summary

This is a plug to cover a dryer Vent if you are no longer using it.

[Household](#) > [Other House Equipment](#)

Tags: [plug](#) [cover](#) [dryer](#) [vent](#)

I purchased a new All in one Laundry machine that no longer required a dryer vent. Originally covered the hole with Tape, however, its -20c outside so I stuffed the hole with insulation and printed a cap for the hole.

No tape, no sealent, nothing but a snug fit.

No supports or anything required, its a very simple print.
