Hose strut for swimming pools Intex, Marimex, Bestway.....

Ideal use with 32mm pool hoses. The size of the hole is 40mm. For fast printing, printed in draft.

Update 6/8/2023

Add new variant with holder offset by 20° degrees for specific pools.

Update 4/7/2024

Add new "Big" variant

The holder can now be fitted without disconnecting the hoses to the pool.

There is more space between the pool wall and the bracket for more complex connections.
