Summary

Wall mount for 60W Framework laptop charger

[Gadgets](#) > [Computers](#)

Tags: [wallmount](#) [charger](#) [wallmounted](#) [framework](#)

Designed this to mount the 60W Framework laptop charger to the wall, needed it since I printed the motherboard case for it and mounted that to the wall as well. It uses 7mm countersunk screws to mount to the wall. Charger does fit a bit loosely, so if the cable gets yanked it may come out of the mount

Printed on: Prusa MK4

Supports: No
