Summary

Printer mockup

[3D Printers](#) > [Bambu Lab Parts & Upgrades](#)

Tags: [mockup](#) [a1](#) [up](#) [bambu](#) [mock](#)

I measured my own A1 and created a mockup to help me designing space around it. Others may use it as they like and need.

Printer is modeled with bed extending to it's furthest range, both at the front and at the back.

Measurements were taken by hand, in awkward position, howering on one leg above the printer. **Those measurements are not mm perfect!**
