Tags: [decoration](#) [8bit](#) [gaming](#) [gamer](#) [heart](#) [health](#)

Spice up your area using these adorable 8-bit hearts!

Bring back the nostalgia of old-school gaming with these 3D decorations.

Does not require MMU as each colour is a separate body which can be printed in red, black or white.

Last photo example showing these adding some life to the inside of my PC case.
