## Summary

Compact under-desk controller mount for Playstation 4 and Playstation 5 controllers

[Gadgets](#) > [Video Games](#)

Tags: [organizer](#) [mount](#) [playstation](#) [controller](#) [ps4](#) [ps5](#)

Compact and discreet accessory designed to secure and store your PlayStation controllers beneath a desk or table surface. Modeled to utilize double sided tape with 3 large mounting surfaces to ensure a secure mount is achieved. This mount features a simple design for quick retrieval of controllers, contributing to a clean and organized gaming environment.
