updated 15. 1. 2024 | published 15. 1. 2024

Summary

I remixed the lower half of the ball joint dust port to work with 4" hoses or PVC pipes

[Hobby & Makers](#) > [Tools](#)

Tags: [dustcollection](#) [dustcollector](#) [dustextraction](#)

By request, I adapted this adapter to work with 4 inch hoses or pipes, so a 4-to-4 ball joint, rather than the original 4-to-2.5"

This remix is based on

4" to 2.5" Swivel Dust Collector Adapter

by Tom's Print Garden
