Summary

Markers to go on minis to show initiative order

[Tabletop Miniatures](#) > [Miniature Gaming Accessories](#)

Tags: [dnd](#) [tabletop](#)

These are super fast to print and can be printed in multiple colors with a pause at layer height command (if printing at 0.2, layer 10)

These rings are large enough to fit around the bases of minis with a 25mm base

I modeled 30 of them so I'd have enough for the next encampment the party comes across

The stand for the rings is 95mm tall and fits all 30 rings on it
