## Summary

Organizer fitting on a grid system to keep my plastic bowls under control

[Household](#) > [Kitchen](#)

Tags: [organizer](#) [plastic](#) [grid](#) [bowls](#)

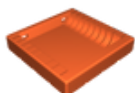

Plastic Bowl were driving me crazy, always lost lids, falling over the place. I've designed this holder and now life is goooood!!. It sits on a grid system that also fit other modular components for the rest of the utentils, and small items.
