## Summary

5 Piece Adjustable Phone Stand

[Hobby & Makers](#) > [Tools](#)

Tags: [stand](#) [phone](#) [adjustable](#)

Dowels at 9.90 hold the angles really well. Friction hinges work really well in portrait phone orientation. Landscape orientation the angles of the stand are limited.

Will be working through other versions to try to improve this.

Thanks for any downloads!

## Model files

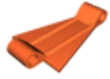

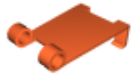

### hinge-dowels-v3.stl

☐ 9.90 x 45 mm and 9.90 x 63 mm. Print different diameter dowels for more friction in hinges.
