Let not a drop of soap be wasted!

You know, you try to squeeze all the filling out of the refill bags, but there's always something left in there. That's it now, let the last remaining drops drip off overnight.

Print instructions:

- Material: PETG
- Layer: 0,2 mm
- Perimeters: 2
- Infill: 15%
- Supports: No

- Brim: No

This model does not require any special settings, more details in the attached 3MF file.

Custom modification:

If you want to modify the model, I am attaching the STEP file and a link to my OnShape.

You can customize the model by simply changing the parameters.
