You can print in a single color or use the multi-material paint tool to turn yourself into a Piet Mondrian disciple ;)

The color stripes have a 0.1mm offset, so using the multi-material paint tool is child's play.

https://help.prusa3d.com/article/multi-material-painting_262620

Freely inspired... Piet Mondrian pioneer of abstract art.

https://en.wikipedia.org/wiki/Piet_Mondrian

Dimension 150 x 150 mm

Printed in Petg

You can resize to your slicer...

As a simple feedback for the work, thank you for liking and posting your making!

I'm always happy to see your prints

Happy printing !
