Box se skládá ze dvou částí, horní část vypadá skvěle při tisku transparentním filamentem. V příloze jsou dvě verze, jedna je pak průhlednější, druhá pevnější.

The box consists of two parts, the upper part looks great when printed with transparent filament. There are two versions in the attachment, one is more transparent, the other is more stronger

## Model files

**electrobox-verze-4-8.stl**

**viko-thinner.stl**

☐ Thinner version of the top

**viko\_stronger.stl**

☐ Stronger version of the top
