### Summary

Replacement belt hook for adjustable magazine holster. for 40mm belt

[3D Printers](#) > [Accessories](#)

Tags: [hook](#) [clip](#) [holster](#) [belt](#)

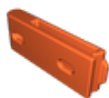

Replacement belt hook for adjustable magazine holster.

Holes made for 4mm screws with 10mm head.

Supports not necessary unless u want cleaner bridges for the holes. 4mm screws will still fit through with the slight sagging from not using supports.

I printed in PLA but PETG may be more suitable.
