

**Easily scalable
Porsche 911 (992)
GT3RS silhouette
for your wall,
keychains, etc.**

Summary

Print the silhouette of your favorite car for your wall, keychain, or just any other implication of your desire!

[Household](#) > [Home Decor](#)

Tags: [wallmount](#) [homedecor](#) [keychains](#) [wallart](#) [porsche](#)
[gt3](#) [porsche911](#) [911gt3](#) [gt3rs](#)

The model is easily scalable, which allows you to split it into as many parts as you can fit on your printer or scale it super small and put it on your keychain!

I found that the layer height and infill don't really matter as the model is essentially a 3D extruded 2D image.

Happy printing!
