Hi there,

I built a variant of an automatic counter pressure bottle filler, following this awesome thread in a german hobby brewing forum:

<https://hobbybrauer.de/forum/viewtopic.php?t=18859>

I redesigned the parts and added additional parts for my variant of the device.

If you have any questions regarding my parts, or need some adjustments for the uploaded parts, let me know.

I'll try to reply quickly.

Moin zusammen,

Ich habe eine Variante des automatischen Gegendruckabfüllers gebaut, der in diesem großartigen Thread des Hobbybrauerforums beschrieben wird:

<https://hobbybrauer.de/forum/viewtopic.php?t=18859>

Ich habe die Bauteile neu gezeichnet und um weitere Komponenten für meine Variante des Gegendruckabfüllers ergänzt.

Wenn ihr fragen oder Änderungswünsche habt, schreibt mir, ich versuche schnell zu antworten.
