Summary

Cutlery and napkin storage for the office table.

[Household](#) > [Kitchen](#)

Tags: [organizer](#) [organization](#) [cutlery](#) [cutleryholder](#)
[cutleryorganizer](#)

Simple storage box for cutlery and napkins. One of the compartments is shallow, allowing toothpicks to be dispensed from it.

I use it inside a bigger (non printed) storage box, that I pull out at lunch. After lunch it goes on the closet again, so the table can be used for meetings again.
