This is a simple Kitchen Packet / Sachet Organizer

I know there are some similar designs but I wanted custom size and text :)

Instructions:

1. open: <https://openscad.cloud/openscad/>
2. upload the scad file (copy paste into "code" section on the left)
3. set any size in number of organizer sections in the variable
4. Download .stl

This is part of my **Hooks & Organizers** Series. You can discover all models in this [collection](#).

Versions

Mk2 fixed a bug in the scad file. Now it is wider compatible with standard scad editors. (Just use the link above if you don't have a scad editor installed)
