updated 19. 1. 2024 | published 19. 1. 2024

### Summary

I designed a stand for my Tamiya BBX and thought it would be good to share.

[Hobby & Makers](#) > [RC & Robotics](#)

Tags: [stand](#) [control](#) [radio](#) [tamiya](#) [buggy](#) [bbx](#)

This stand for the Tamiya BBX buggy is simple to glue together with some superglue.

edit 19/01/2024 - I've added 2 new files which are to enable sides to be put on the stand - 1 panel has the Tamiya logo and the other has the BBX logo.

### Model files

**bbx-stand-base.stl**

**bbx-top-82mm.stl**

**bbx-front-panel-bbx.stl**

**bbx-front-panel-tamiya.stl**
