

## Dollar bill storage

A AI

[VIEW IN BROWSER](#)

updated 2. 5. 2024 | published 2. 5. 2024

### Summary

Dollar bill holder for about 50 older bills (more if new and crisp)

[Household](#) > [Office](#)

I put both the lid and base in one file and I used:

PLA

10% infill and crank up the speed

Takes about 35 minutes on my qidi x-max3
