Tags: [art](#) [christian](#) [catholic](#) [monument](#) [lebanon](#) [heritage](#) [notredame](#) [cultural](#) [harisa](#)

Experience the awe-inspiring beauty of the Notre Dame du Liban monument in intricate detail with our 3D printable model, meticulously crafted to capture the essence of this iconic landmark, allowing enthusiasts to bring a piece of Lebanese cultural heritage to life.

Material: Printed using PLA with 12cm hight, I would suggest printing bigger if you wan to see the crown on Mary's head.
