This is the **“Paper Towel Holder / Stand”** designed by me.

It is a simple holder/stand for normal sized paper towels. Please be sure to attach rubber knobs to the bottom!

Standard Dimensions:

- **height:** 250mm
- **max. height of wall:** 147.7mm
- **diameter of rod:** 39mm
- **diameter paper towel:** 108.6mm

Settings:

- **layer height:** 0.2mm
- **line width:** 0.42mm
- **wall loops:** 3

- **infill**: choose your own ;)

Feel free to upload your Makes!

Updates:

- **18.01.2023**: I rounded off the connection from wall to floor to strenghten it. Unfortunately the wall of my paper towel holder had already broken off. Please be careful when tearing off a leaf!
