updated 16. 1. 2024 | published 16. 1. 2024

## Summary

purely esthetic gear phone holder/stand

[Gadgets](#) > [Portable Devices](#)

Tags: [holder](#) [gear](#) [phone](#)

NOTE- the gear dont fit into the gaps, it wasnt planed when i made it, but it gives more angles to place your phone, it is made to look like gears, purely for the vibe.
