Summary

Quick and simple origami paper holder made to be hung on a wall.

[Household](#) > [Office](#)

Tags: [organizer](#) [origami](#) [paper](#) [pushpin](#)

Holder for origami paper size 150mm x 150mm. The hole is meant for a push pin to make hanging easier. The two models screw together with M3*10 screws. Parts can be printed separately to avoid supports.

The model in the picture needed some washers, but that's corrected in the actual file now.

Items needed:

- 4 - M3*10 screws
- 1 - Office push pin
