Tags: [passenger](#) [peg](#) [xp](#) [lectric](#) [xp3](#) [passengerpackage](#)

Press fit peg cover for the pegs that come with the Lectric Passenger Package. Created to place over the ends of the pegs for the passenger package to allow my XP 3.0 to fold without scratching anywhere else on the bike. There is a hole in the middle to allow for any moisture to dry.

Printed in TPU with 0.2 layer height. It is a tighter fit, and I have not had either of mine fall off yet.
