## Summary

Joseph Prusa's dog Buddy but with a big dumper

[Art & Design](#) > [Sculptures](#)

Tags: [dog](#) [pug](#) [thicc](#)

This is a remix of the buddy model but with one big difference. It is due to this difference that the model will now need supports but you might be able to get away with not using them. The 3MF file will have them painted on so you just need to load the project and print.

## This remix is based on

**Josef Prusa's pug Buddy**
