A Simple Wet Vac hose attachment for USA 1-1/4" shop vac hose.

I used this on my Home Depot Bucket Head wet vac. Fits standard 1-1/4" shop vac hose. It works very well on basement floor to quickly suck up water.

Material: TPU

Supports: None required if using TPU. PLA or PETG untested.

File: STL (mm) Metric

Dim: 120mm x 97.8mm x 71.3mm
