Hanger for Bags to be mounted on a FlexiSpot E1 Desk (62mm bolt pattern)

[Household](#) > [Office](#)

Tags: [desk](#) [hanger](#) [organization](#)

Hanger to bolt onto a Flexispot E1 Desk (62mm bolt pattern).

Additional hardware required:

- 4 washers M6 12\*1mm
- 2 washers M6 18\*1mm

Each screw takes the large washer first, followed by 2 of the small washers. The washers are added to the bolts to secure the hanger while taking the clamping load of the desk from the printed part.

Fusion 360 model attached.

Prints on the side without support.
