Summary

These are some stand alone feet for Rack Nas or server systems. Like when you bought hardware to big for your rack :)

[serverstand](#) [serverfeet](#) [nasfeet](#) [qnapfeet](#) [ts464u](#)

My Nas is a Qnap Ts-464U, but other will fit as well i guess. .STEP file is included so you can customize it.

- ABS/ASA/PLA/PETG
- 15-50%
- No Brim
- No Supports
