Introducing the Mini Heart Happy Pot - a charming 3D printable model that brings love and joy to any setting. This model features a heart sign with his hands, showcasing its cheerful personality. Perfect for decorating your home or as a gift for a loved one, the Happy Heart sitting pot is sure to spread happiness wherever it goes.

It is **print in place** so no trouble with assembly. You **don't need any supports** either!

I used this material: [Marble PLA](#)
