Summary

Simple template to help mark holes for Ikea Sandshult bracket before drilling.

[Hobby & Makers](#) > [Tools](#)

Tags: [ikea](#) [drill](#) [universal](#) [template](#) [sandshult](#)

Use marks on the side to find holes positions before drilling. The same template can be used on long and short side. Just align one hole with the pre-drilled and then you know where to create the other one.
