The "Great Wizzard" from Terry Pratchett's "Discworld" series.

I found the line art used to create this bookmark in a Google search. The line art did not acknowledge the work of Paul Kidby, but I think it is obvious that this (<https://en.wikipedia.org/wiki/Rincewind>) is the original source of the image. Thanks Paul!

The .bgcode has a pause at layers 1.4 and 2.2 for color changes. I started with Prusa Galaxy Silver for the base, then switched to Jessie Premium White for the body, and finished with Prusa Galaxy Black for the outline.
