Tags: [display](#) [cap](#) [cover](#) [usb](#) [dust](#) [port](#) [hdmi](#)

This is a dust cover for USB type A ports.

Note: depending on your slicer, you might have to enable "Detect thin walls and/or reduce line width."

UPDATES:

2024-02-11: I noticed by looking at the makes that some usb ports are much shorter than mine, so I added new versions that are 5mm shorter.
