Maximize your workspace organization with this custom-designed chisel holder, perfectly tailored to fit the IKEA Skadis pegboard system. This 3D-printable model offers a snug and secure fit for your Mitsutomo chisels, ensuring that your tools are neatly displayed and within easy reach. Each holder is meticulously designed to accommodate Mitsutomo chisels with varying widths, featuring labels for 12mm, 19mm, and 25mm sizes. The chisel holder attaches firmly to your Skadis pegboard without the need for additional hardware, thanks to the universal hook feature.
