Summary

Just an artichoke

[Household](#) > [Kitchen](#)

Tags: [food](#) [3dscan](#) [artichoke](#)

A 3D scan of an artichoke, sprayed with cyclododecan spray before scanning. Scanned with the Shining3D Einscan PRO, the bottom is made flat to make it easier to print. I've also uploaded a complete, less heavy version, without the flat bottom if you want to SLA print it with full details!
