Summary

This phone and cup holder fit any 3/4" tubing. Fits iphone 14 plus. Originally designed for a Medline Wheelchair.

[Healthcare](#) > [Home Medical Tools](#)

These devices fit onto any wheelchair or walker tubing that is 3/4" in diameter. They snap into place with some force and do not come off easily. Use the screw to secure into place if required. Fits all phones smaller than Iphone 14 plus. Reach out to noam@makegood.design if you need to fit a different sized phone.

Both items are designed to simply be pushed and rotated out of the way.
