updated 29. 1. 2024 | published 29. 1. 2024

Summary

Camera board holder

[Hobby & Makers](#) > [Electronics](#)

The purpose of this project is to create a 3 camera setup for sporting events.

Not perfect but this is to protect the board in a larger case.

Ribbon cable: <https://amzn.to/3HCLYzF>

Metal original camera case fits of print.

Please let me know about improvements to grow the project.

Project uses CS Lens
