Summary

22mm handlebar holder Anker Powercore 10000

[Gadgets](#) > [Other Gadgets](#)

Tags: [anker](#)

I created this powerbank holder for my handlebar to supply my phone / navigation app on longer rides. Fits an Anker Powercore 10000 nicely, is made for 22mm handlebars and can either utilize M4x20 round head bolts and respective nuts or just a zip tie for fixation.
