Summary

A body support for a TA-02 chassis Tamiya model.

[Hobby & Makers](#) > [RC & Robotics](#)

Tags: [part](#) [tamiya](#) [ta02](#)

A body support for a TA-02 chassis Tamiya model. This is equivalent to the angled upright support of Tamiya Part #50482 "Skyline Body Mount".

Notes:

Recommend printing with the five "height adjustment" holes along the Z axis - "holes facing up". Some filing as usual is required to fit the existing model's parts.
