[ender3v3ke](#)

Ender 3 v3 SE/KE cable clip and phone mount. Get your cables out of the way and closer to the printer with this cable clip. There is also a phone mount allowing for an old iPhone or Android to be used as a streaming camera. This angle captures the gap between the hot end and the print bed allowing for easy print monitoring.

This remix is based on

Ender 3 V3 SE/KE Cable Holder
