Summary

This is a reproduction of a sculpture that I liked and made for myself

I went to a mall in Mexico City and saw a sculpture on an aisle of one of the high end stores there, I liked it so much I actually made a model and printed it for my house. Can you tell the difference?

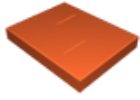

Original sculpture is about 8 feet tall, mine about 8 1/2".

I'm not the original artist, please respect, **this is only for personal use**
